Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a statement accompanying a request to correct inventorship in the above-captioned U.S. patent ("the Patent") by adding my name as an inventor. I am a joint inventor of the invention claimed in the Patent, and through error I was not named on the issued Patent. This inventorship error occurred without any deceptive intent on my part. I understand that Michael Frank, Friedhelm Siepmann, Andreas Thünchen, and Stefan Stumpe will also be added as inventors, and I agree to those additions as well.

Respectfully submitted,
